Hospital Infection Control Committee

The hospital infection control committee met today on 01/03/2025 to review the hospital infection control system and biomedical waste system. Committee found that both the systems are working to the satisfaction. The team unanimously resolved to make the premises Biohazard-free and to campaign more to educate and encourage the staff for infection-free premises with proper Biomedical waste and infection control in hospital. As we discussed today about

1. Biomedical Waste Management System
2. Resolution for Biohazard-free campus

Following members were present in the meeting and passed a resolution to make the campus free of Biohazards.

Chairman: Dr. Kalpit Sanghvi (Hospital Superintendent)

Secretary: Dr. Jayesh Vaidya (Professor, Dept. of Practice of Medicine)
