DATE :22/07/2025

PHARMACOVIGILANCE COMMITTEE

Composition:

Chairperson: Principal and Superintendent of the Institute.

5 Members consisting:

2 homoeopathic physicians from the college with experience in clinical practice.

1. **Dr. Rajiv Mishra** Professor, Dept of Practice of Medicine

2. **Dr. Sujata Vasani**, RMO Hospital

2) 1 representative from the department of pharmacology/toxicology.

Dr. Raju Gangwar, Associate Professor, Dept of Hom, Pharmacy

3) 1 representative from the department of pathology.

Dr. Darshan Doshi, Professor, Dept of Pathology

4) 1 legal expert familiar with medical regulations.

Mr. Chetan Kothari, Advocate, Gujarat High Court

5) Secretary: A faculty member of the college, preferably with experience in pharmacovigilance or clinical research.

Dr. Ashwini Pawar Associate Professor Of Dept Repertory

2. Responsibilities:

Develop and implement a pharmacovigilance program for the college. Receive, review, and document all suspected adverse reactions (SARS) to homoeopathic medicines reported by students, faculty, or patients.

Assess the causality of SARs and classify their severity. Report serious SARs to the national regulatory authority within the stipulated timeframe. Maintain records of all SARs and provide periodic reports to the college administration and regulatory authorities.

Conduct pharmacovigilance training programs for students and faculty. Collaborate with other homoeopathic colleges and research institutions on pharmacovigilance activities.

3. Meetings:

The Committee must meet at least quarterly to review SARs and discuss pharmacovigilance activities. Additional meetings may be convened as needed. Minutes of each meeting should be documented and maintained for future reference.
